

Hightower

Ziggy Stool

The modern workspace is built around versatility and adaptability. Pieces need to fit in with a user's changing needs throughout the day and the Ziggy Stool does exactly that. Pull up a few stools for a quick collaborative meeting. Pair the stool with the Ziggy Table to get through some solo work. Take a break and kick up your feet on Ziggy as an ottoman. No matter the time of the day, Ziggy will fit right in.
