ELEGANT LINES AND MODERN FUNCTIONALITY FOR ANY SPACE: THE LINEAR LAMP SERIES

Designed from the idea of creating smaller spaces within larger settings, the Linear Lamp Series by Thomas Bentzen is created with subtlety at its heart—simple lines, inviting functionalities and dimmable light that can be adjusted to any setting.

The Linear Table & Mounted Lamps hint toward the archetypal library lamp with a modern expression, paired with the extensive functionality of dimmability. Available in two sizes, the design brings a friendly canopy of light to any space.

The Linear Pendant Lamp brings elegant overhead lighting through its slender lines and its generous distribution of light, available in two sizes.
